Dear Michael,

PROPOSED FREE SCHOOL AT TATENHILL, STAFFORDSHIRE

As you know, there is some disquiet in Tatenhill regarding the location of the proposed new free school and I have asked the Secretary of State for Communities and Local Government to call in the planning application.

However, if the application were then approved and there were to be a free school in Tatenhill, I believe that its sponsor should be one that has demonstrated competence in secondary education and has its roots grounded firmly within the local community.

I strongly believe that John Taylor High School meets these criteria and if the free school were to be run as well as is John Taylor, I believe it will be of huge benefit to local students and an asset to the community. It would therefore have my support.

Yours sincerely,

Michael Fabricant
