Code of Conduct

Starting your Post-16 provision is a significant event. It is important that we all start that journey together and commit to certain aspects of that journey to help us all achieve and be the best that we can be. The code of conduct represents the aims and the values of the school. It highlights the responsibilities of the school towards its students as well as what the school expects of the student. Please read this agreement carefully, discuss it, sign it, and return to school. If any Post-16 student is deemed to not be following the Code of Conduct we will follow the JTFS Behaviour Procedure on our website.

Dress Code

The dress code in Post-16 maintains the high standards expected of our establishment. As senior members of the school community, Post-16 students do not need to wear uniform bearing the school logo. However, they are expected to adhere to the school's dress code, which generally comes under the banner of professional business dress. This means Post-16 students are demonstrating high standards all day, every day, and are role models for the younger students.

Blazers : dark coloured blazers must be worn at all times	Tights or Socks : if worn they should be plain, dark or neutral, and without holes
Shirts/Blouses : smart, sleeved shirts or blouses, which are tucked in. Appropriate ties should be worn with shirts, and the tie must be worn up to the neck so that the top button cannot be seen. A jumper or cardigan is not a substitute for the blazer, in cold weather plain v-neck jumpers can be worn, but branded sweaters and hoodies are not permitted.	Clothes work for religious purposes : a hijab can be worn but it must be plain black and must not cover the face. A turban can be worn but must be plain black. Please contact the school directly should you feel there is a need for any other item to be worn due to religious beliefs.
Trousers/Skirts : smart suit trousers, skirts or dresses must be worn alongside the blazers. Any skirts or dresses must be suitable for the workplace and of an appropriate length, no shorter than knee length. Lycra type skirts are not permitted.	Jewellery : jewellery can be worn but not be excessive. Facial piercings (including nose and tongue), visible tattoos and body piercings are not permitted. Stud earrings only.
Shoes : dark leather type shoes. Trainers, sliders, crocs and sandals are not permitted.	Hair : hair should be kept tidy with no extreme styles. Dyed hair should be within the natural colour range.

ID badge : as part of safeguarding, Post-16 students must wear their ID badge and school lanyard around their neck, and clearly on display at all times.

Please note that decisions regarding whether an item of student dress is in line with the dress code will be made by the Post-16 Team and Head of School. If in doubt, we suggest you keep receipts and tags on items so they can be returned if necessary. If a student's dress is not in line with the policy they will be loaned an item of clothing for the day, but it is expected that this is rectified by the following school day.
