

Post Results Information for Candidates

If you are unhappy with your examination results, you may wish to pursue a **Review of Results** (RoR) with the exam board.

It is important that you understand that there are 3 possible outcomes to a RoR:

1. Your original mark is confirmed as correct so there is no change to the grade.
2. Your original mark is raised, so the final grade may be higher than the original grade awarded.
3. Your original mark is lowered, so the final grade may be lower than the original grade awarded.

Every year a number of students have papers reviewed which result in their grade being lowered. We strongly recommend that only students who are very close to a higher-grade boundary request a Review of Results.

Please note that there *may* be a charge for RoR services – see below for a detailed outline of the Review of Results services offered by the exam boards.

SRC	Post-Results Service	Details of the service
R1	RoR Service 1: Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. (For multiple choice tests , only Service 1 re-checks can be requested)
R2	RoR Service 2: Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly... Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking... This service will include: the clerical re-checks detailed in Service 1; a review of marking as described above.
R2a	RoR Service 2 with post-review of marking copy of script	
R2P	RoR Priority Service 2: Review of marking	
R2Pa	RoR Priority Service 2 with post-review of marking copy of script	This is the same service as Service 2, but the script is reviewed as a priority, therefore a request for this service must be submitted to the earlier deadline. This service is only available for GCE A-level and Level 3 VTQ qualifications.
R3	RoR Service 3: Review of moderation (This service is not available to individual candidates)	This is a review of the original moderation to ensure that the assessment criteria has been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work...
A1	ATS: Copy of script to support review of marking	This is a priority service that ensures copies of scripts are returned in sufficient time to allow decisions to be made whether a non-priority review of marking should be applied for
A2	ATS: Copy of script to support teaching and learning	This is a non-priority service to request copies of scripts to support teaching and learning
