

Supporting your Learning in Design and Technology

Exam Dates

Your Design and Technology exam will be:

NEA Coursework: Thursday 25th March 2027

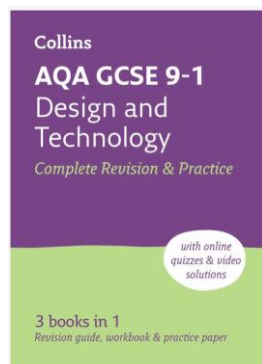

Exam Paper: Tuesday 15th June 2027

You need to be able to:

- Demonstrate your knowledge and understanding of one or more material in detail and apply this to different questions and scenarios.
- Demonstrate your knowledge and understanding of different design techniques and processes.
- Consider how different materials can have an impact on the environment and the wider world.
- Apply mathematic and scientific knowledge to different materials and scenarios

Revision Guides

We recommend the following revision guides:

These revision guides include the revision book, online quizzes and video solutions (explanations) to a variety of different questions.

These will be available on Bromcom

Websites

Seneca Learning: <https://senecalearning.com/en-GB/>

BBC Bitesize

Top Tips

- Complete the revision clocks and one-page profiles for one or more of the different material areas
- Use the flash cards with key designer/ design techniques and quiz yourself or get others to quiz you
- Complete practice exam questions or papers provided.

Support in School

- Complete the weekly activities and extended learning on Bromcom – Week A revision and then Week 2 exam practice
- Use the information on Sharepoint:
<https://johntaylorhighschool.sharepoint.com/sites/JTFS-LearningStudents/SitePages/Design%20Technology.aspx>
- Attend weekly Tuesday or Thursday coursework and revision sessions 3.15-4.15

- Complete practice exam questions or papers provided and bring them to your teacher for advice
